CLUB 55

## CLUB 55 AT CIPRIANI WALL STREET

A beautiful compliment to the ballroom at Cipriani Wall Street, Club 55 offers an array of spaces to accommodate smaller-scale events in a historic and elegant ambiance.

Rich with the history of a New York City Landmark and Cipriani's Italian heritage, the spaces feature Murano glass chandeliers, towering limestone columns, and an original bank vault from the building's time as the National City Bank Headquarters.
